UPDATED VERSION, December 22, 2021 – CHANGES IN YELLOW

## ELIGIBILITY

Any player shall be entitled to enter providing that he/she is under the age of 11/13/15/17/19/ (according to the category entered on the closing date of the tournament). As specified by the European Squash Federation; to compete in all ESF registered events, all players, coaches, managers and other officials must be registered with ESF. This must be approved and validated by the relevant MNF.

The MNF is responsible for ensuring that all players, coaches, managers and other officials are registered with ESF prior to entry, and their entry is fully supported.

Players can register for ESID with ESF through the ESF tournament software website:

<https://esf.tournamentsoftware.com/member/createorganizationaccount.aspx?id=8B5D0106-404D-41C3-B2FB-E6FE1BCEAB52>

### **Current Czech republic regulation:**

Only fully vaccinated or those who had Covid-19 in the last 6 months can take part in sport events.

Only those who are under 18 are exempt from this and can take part with PCR test not older than 72 hours. This applies to all involved – players, coaches, parents, supporters and the same rule applies for entering the sports club or hotel or restaurant.

### **Tournament regulation:**

All participants need to send the organizer his/her vaccination certificate (official certificate issued by your government with QR code) together with the entry form. This applies to all involved – players, coaches, parents, supporters. Only players under 18 years don't have to be vaccinated. For them it is possible to play with negative PCR test result. This is very important. If you don't send it you will not be allowed to take part.

All participants need to send the organizer result of their pre-travel PCR test within 72 hours of the start of the tournament. This applies to all involved – players, coaches, parents, supporters. This is very important. If you don't send it you will not be allowed to take part.

All participants need to do antigen test when entering either of the venues every day of the event. This applies to all involved – players, coaches, parents, supporters. Those with positive result of antigen test can not continue in the event. Their close contacts can not continue in the event either.

These are the rules we agreed with Czech authorities and which are necessary for them to allow us to organize the event. We understand nobody likes this but without these rules it would not be possible to organize the event. These things however cause some extra costs for us (15 EUR/per person) which we need to include in the entry fees to be able to cover them. We hope you understand this is the necessary step in order to not only organize the tournament but to protect the health and safety of all involved.

### **COACHES**

All team or individual player coaches designated by their Nation as part of their event onsite management team (solely or in attendance with an appointed team manager) at any Championship held under the auspices of ESF must be ESF registered, i.e. have an ESID, as their licence to attend as a formal representative. This is required at the time of them being registered to attend by their National federation.
